

## VICTORY SONG

Hail to the Army  
Fresh from Victory  
Hail to our warriors  
One and all

Hail to the army  
Standing united  
Marching together  
Proud and tall

With a sword  
(Pheasant) And a peck  
(Monkey) And a scratch  
(Dog) And a bite

Hail to the army  
Strong and triumphant

(Momotaro) Inu , Sari, Kiji I couldn't have done it on my own!

Hail to the Army  
Fresh from Victory  
Finally on our way home!
